

PETITION FOR REVIVAL

ATT: Sandra O'Shea

Art unit 2875

Application No. 10/057,077

Dear Mrs. or Miss O'Shea,

I am sorry for the delay in filing the required reply from the due date of my application. I never received any papers from your office letting me know what was needed or that my patent was in danger of being abandoned. I have not received any notifications from your office since Oct. 28, 2003.

I would not let the application get to this point on purpose, it was unintentional and I would like very much to get things back in order so this application can be finalized. If you can help me with this and show that it was unavoidable, and to let me know what it is that needs to be done to finalize my application, I would be very grateful to you.

Thank you for your time and I will be waiting for your response.
